## **DREAM Act Phone Banking Script**

Hi, my name is \_\_\_ and I'm calling to express my support for the continuation of DACA and the 2017 DREAM Act.

I wanted to know if the Senator \_\_\_/Representative \_\_\_ supports the DREAM Act or other bills that would benefit DREAMers and undocumented immigrants.

It is incredibly important to me that Senator \_\_\_/Representative \_\_\_ show support for our nation's immigrant population, and I am incredibly disheartened by the way the current administration has been essentially rounding up immigrants from deportation. I believe the DREAM Act is an important part of a larger solution. Please let the Senator know that his/her vote on the DREAM Act is important to me, and I will be watching closely to see how he/she comes out on this, as well as other immigration related issues.

Thank you for your time.
